

Automodel Damper

How to assembly the *Damper* using CATIA (main steps):

The parts and the assembly are made in CATIA v5.

The purpose of this model is educational, for students to learn the *Assembly Design* module of CATIA.

The parts and the assembly are free to distribute, but please keep them in the original format.

Phd. Eng. Ionuț Gabriel GHIONEA
 CATIA Certified Professional.
 CATIA V5R14 Part Design Specialist
 Lecturer at the University Politehnica of Bucharest
